MAI Insurance Brokers Poland Sp. z o.o. – an insurance broker for the Real Estate sector

MAI CEE LTD. was established in 1990. We have offices in 13 countries: Albania, Croatia, Czech Republic, Estonia, Georgia, Hungary, Latvia, Lithuania, Poland, Romania, Russia, Slovakia and Ukraine. We have also built a strong partnership with insurance brokers in 11 more countries: Armenia, Azerbaijan, Belarus, Bosnia, Bulgaria, Kazakhstan, Macedonia, Moldavia, Montenegro, Serbia, Slovenia. In Poland we have been operating since 1999 as MAI Insurance Brokers Poland Sp. z o.o. Our role does not end only with the conclusion of an insurance contract. We want our Clients to be certain that they get the best insurance service possible. As a result, apart from seeking optimal insurance solutions and providing day-to-day service, we attach great importance to risk assessment and loss adjustment.

We have extensive expertise in the Real Estate sector, therefore, we are aware of the risk it entails in particular project stages:

- Preparation / design phase
- Construction phase
- Operational phase

Our Clients include: developers, private companies and institutions, investment funds, construction companies, property managers, asset managers, architects, designers, supervision inspectors. We are committed to finding optimal insurance solutions, so ones that provide the widest coverage, without generating unnecessary costs at the same time. We provide quick service as we are aware of how important it is. We provide consulting services taking into account your needs as well as requirements of our Clients' business partners. Our offer includes all products and services available

on our market, and thanks to cooperation with international partners and insurers based in other countries, we are able to adapt non-standard products and solutions to the Polish market. Furthermore, our Clients can count on us also in the case of negotiating contracts with contractors (in insurance matters) and verifying the compliance of policies with contracts. Our claim handling department provides active support in the loss adjustment process. We conduct trainings in the scope of insurance products or procedures in the case of a loss occurrence, and thanks to the fact that MAI employs a Risk Manager, we are able to prepare reports enabling precise risk assessment, so called Due Diligence report. Don't hesitate to contact us. Employees of the Real Estate Department are at your disposal.
